All About Theatre is a Santa Cruz based Children’s Theater Company, founded in 2003. Comprised of children ranging in age from 5 – 19 years old. During our performances this Season, there will be an on-going Silent Auction. The twenty-five performances are expected to draw an audience of over 5000 people! Your company logo (business cards or brochures) and product, gift certificate or auction item will be on display for the public to see and whether they bid, win or just see that you supported us, that’s good publicity for you and great karma from us. In addition to the Auction, there is an excellent opportunity to advertise your business in our show program. The proceeds from these important fundraisers will help subsidize the scholarship fund, assist in the effort to reduce tuition and provide general support. Thank you for supporting the children of our community and promoting performing arts in Santa Cruz County.
