CONFLICT FORM

Dear Parents,

It is important for us to know when your children are available for rehearsals. We are aware that some performers have conflicts, whether it is soccer, another activity that overlaps with this one, a wedding or a birthday party that they have already committed to attending. We ask that you let us know of all conflicts that exist before we cast the show. We assume that there will be a couple of conflicts for most people, as we all have busy lives. Conflicts that are more than just a handful, may affect the casting of the show.

Please use the box below to inform us of the day, date and times that the conflict will occur, *even if* your child needs to leave only 15 minutes early from a rehearsal. We ask that you return this form even if you have no known conflicts. If this is the case, simply write "No known conflicts" in the box and then we will have this for our records. Please bring this form, completed, to the second day of auditions (your child cannot be cast without this form being handed in). After that, all submitted conflicts must to be approved before a child will be excused from a rehearsal. Please submit an additional copy of this form at least 1 week in advance of any additionally requested absence.

Thank you for your attention to this important detail!

Sincerely,
Lindsey Chester
