

MAKE-UP NEEDS

All actors must provide their own make-up, no actors (unless siblings) may share any make-up. We need to remove any risk of passing germs, pink-eye especially!!!

What do you need???

- Liquid Foundation – a shade darker than natural skin tone
- Transparent Pressed Powder – to set the final look
- Mascara (Boys & Girls – Brown)
- Eyeliner – liquid or pencil brown
- Rouge – let's go with mid tones (red/brown) not really pink
- Eyebrow Pencil (Brown only – but if you have a black, bring it also... but you all NEED brown).
- Lipstick Boys - need a mid tone red/brown
- Lipstick Girls – No deep reds EXCEPT if your character needs it (this information will come out closer to show time).

Questions????

Please realize that this is need at the start of Tech Week.

We recommend labeling all the make-up items and placing in a labeled toiletries bag / ziplock bag.

Sincerely,

Lindsey Chester
Artistic Director
